

## USER INTERFACE DESIGN USING FIGMA

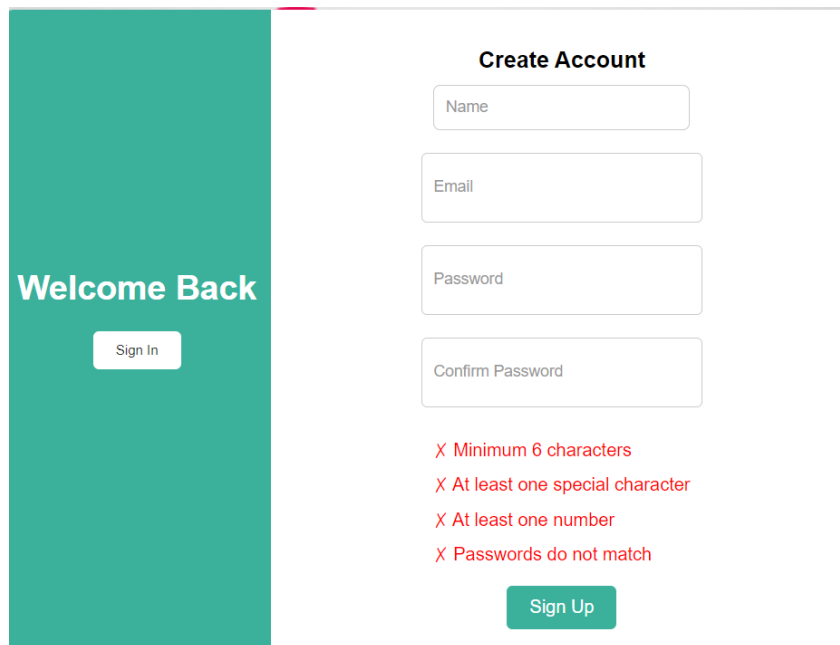

### Form Name: SignIn

The login form is titled "Login to Your Account" in bold black text. It features two light gray input fields for "Email" and "Password". Below the password field is a blue link for "Forgot Password?". A teal "Sign In" button is centered below the fields. Below the button is a "Sign In with Google" link. To the right of the form is a teal sidebar with the text "New Here?" in white, and a "Sign Up" button in a darker teal color.

*Fig 1*

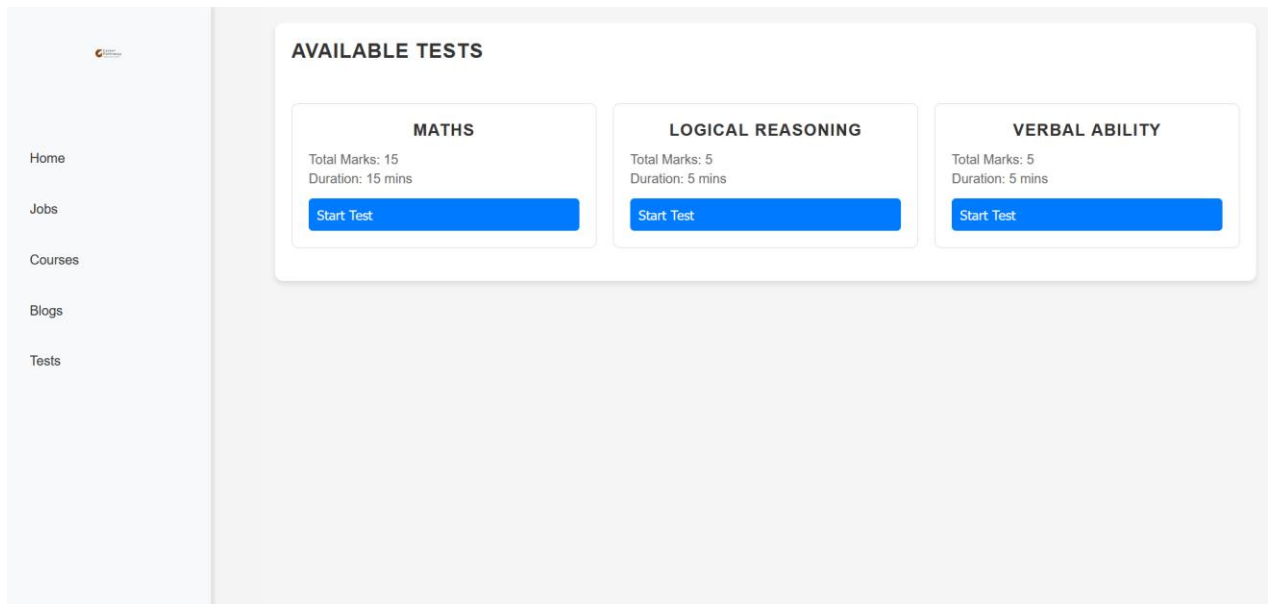

### Form Name: SignUp

The sign-up form is titled "Create Account" in bold black text. It features four light gray input fields for "Name", "Email", "Password", and "Confirm Password". Below the "Confirm Password" field are four red error messages: "X Minimum 6 characters", "X At least one special character", "X At least one number", and "X Passwords do not match". A teal "Sign Up" button is centered below the error messages. To the left of the form is a teal sidebar with the text "Welcome Back" in white, and a "Sign In" button in a white box.

## Form Name: Job List

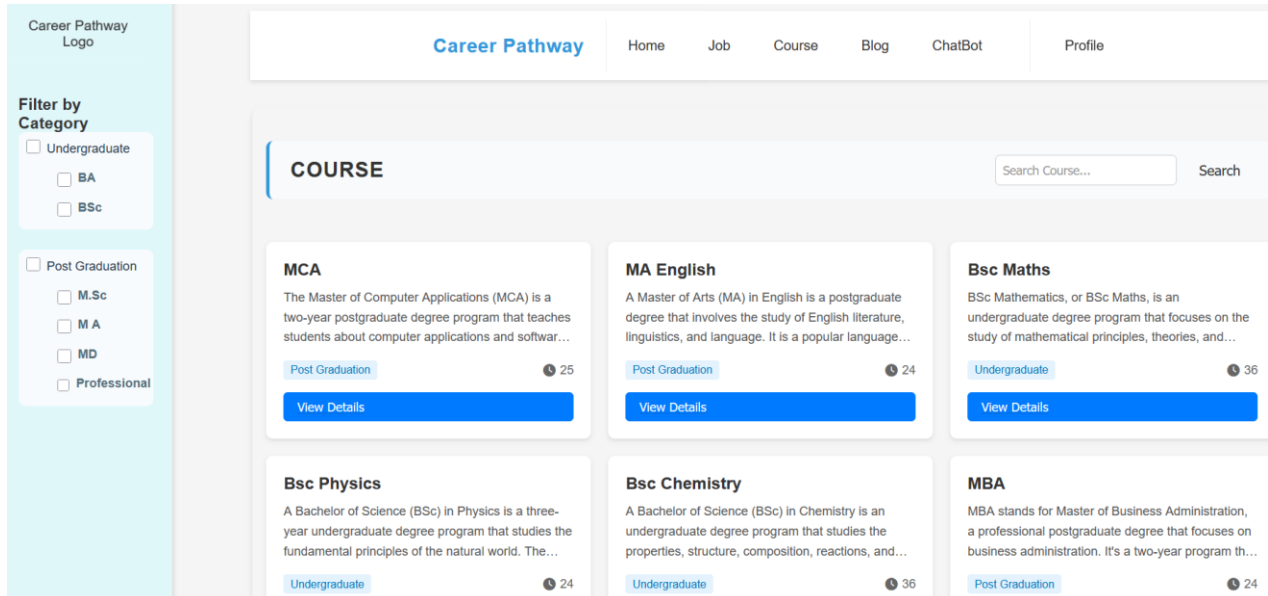

The 'Job List' page features a light blue sidebar on the left with a 'Career Pathway Logo' and a 'Filter by Category' section. The filter section has two groups of checkboxes: 'Undergraduate' (BA, BSc) and 'Post Graduation' (M.Sc, M A, MD, Professional). The main content area has a white header with a 'Career Pathway' link and navigation links for Home, Job, Course, Blog, ChatBot, and Profile. Below the header is a section titled 'AVAILABLE JOB OPPORTUNITIES' containing three job cards. Each card displays the job title, a brief description, a category tag (Undergraduate, Post Graduation, or N/A), a location (Location N/A), and a 'View Details' button.
